

LOCAL 1180 AND CITY REACH AGREEMENT ON EEO CASE

September 2018

Local 1180 and the City met with the Magistrate on October 3, 2018, regarding our EEO case for Administrative Managers. We are pleased to announce that we have come to an agreement on terms of the settlement, which are the terms discussed at the Admin Managers meeting held in September 2018. Attorneys for both sides are now drafting the details into a written agreement, and both sides submitted the final document to Judge Schofield, the Federal Judge, in early November. The final kinks are being worked out now. We will notify Administrative Managers in writing of the final agreement, at which time you will have the opportunity to opt out. We will continue to update members as the case progresses
